t005449 Previously , on " America 's Next Top Model " . Semi-finalists from across the country flew to Los Angeles to pursue their dream . You guys ready to become stars ? - Yes . They were put to the test in grueling interviews . So why are you here ? - Latinos have n't been represented . We met Magdalena , who put her nursing career ***LOADED on hold to follow her heart . They used to say Kelle 's just a white girl with a really good tan . Kelle , a wealthy gallery owner from New York City . I 'm not gonna let anyone stop me . - Ann , a tough jock from Erie , Pennsylvania . I 'm legally blind . And Amanda , who revealed her tragic secret . I told you ! But only fourteen girls made the final cut , and tonight their journey begins . #AMERICA 'S NEXT TOP MODEL# Where are we ? I 've never been ... - Times Square . Landing in New York and looking out of the window ***LOADED , I 'm just so overwhelmed with everything that 's going on . Wait . I want to see in this seat . I ca n't see . I came into this thing confident , and I think that a lot of the girls were intimidated by me . I want them to be . - Hey , baby . Ann , she 's gonna be in this competition for a long time . She 's so beautiful . Her face and like her body like looks amazing . You 've never been to New York ? - No , I 've never been to New York . No , we just really met each other . I mean see , we 're

coming this into really new about everyone 's look . I know I can look very plain Jane . My job is to prove to Tyra that I want this and I can do it . It 's so exciting for you guys to see my backyard . I love my backyard . I grew up in a place called Seagate , which is like the last gated community in New York . And then I moved to Manhattan , and I 've just been a city girl ever since . Around that corner lies all the excitement of New York ! Look at it ! I know I can come off a little strong . Like people always say like , you know , " I think you have a presence about you . " I just want to make it like an easy presence . Times Square ! We are here ! I 'm so happy right now . We 're taken to someplace in Times Square . We 're thinking , " This is the house . This is the house . " We get up to the roof , and there is Tyra waiting for us . I 'm like , " Oh , my God , there she is . Hey , you guys . - Hi , Tyra . - Congratulations . You guys are my personal final fourteen ! Look at those billboards . One of those might be you real soon ! Right ? You guys , this is New York City . This is the city that never , ever ... Ever , ever . - What ? - Sleeps . It 's true . Speaking of never sleeping ... You guys are not gonna be getting ' any sleep tonight . A model never knows where her next job is coming from . That phone is constantly ringing , and you never know where you 're gonna go . All right ? So , your first assignment is ... a sexy , freaky-deaky bikini shoot . But you 're not gonna be doin ' your shoot here . You guys are gonna be doin ' your very first photo shoot . in Jamaica ! We 're goin ' to Jamaica . This is the only time I 'll ever have a chance to do this . The plane is leaving in a couple of hours , okay ? So guys , this is the real thing , okay ? This is a competition . You are standing next to your competitor . Good luck , you guys . - Thank you . And make me proud , and work it out . We 're in Jamaica , we took ... I 'm really excited . - I know . I 'm like an outgoing

person , but I 've never really fit into the group . People just say , Kelle , you 're just like a white girl with a really good tan , or think that I 'm like really stuck up . But things are going wonderful right now . I feel really friendly with all the girls . Kelle , she 's just so white-washed , it 's not even funny . I 'm the only black people that live in my white cul d'sac . And I was like shut up ! God . It so ... It 's so irritating . That 's who she is . -

But y'know , it should not be who she is . It 's hard to , to say that somebody is , is not black . There are a lot of black people who grew up like Kelle . And you 're black . Get with it , love it , embrace it . You 're black . It is six a.m. ish , I think , and we did n't sleep last night . We 're flying to Jamaica for our first photo shoot . Coming into all of this , my intentions were n't to cultivate any type of relationship , but I love Ann . I liked Eva from the beginning ***LOADED . It 's just like we clicked . It 's one of those friendships that is n't forced . I 'm thankful that it takes us three hours to get to Jamaica , so I can sleep on the plane . This is the Captain speaking . It 's gotten a little bit bumpy . I hate flying . I hate this . I hate it . My first year of college , I had a horrible flight . I swore to myself I would never fly again after that . Ann freaked out on the plane . Eva , I need you . I look over and like , " Eva , she 's calling you . " Eva goes , " Huh ? " I 'm like " Make her stop crying . " - Mom , I need you . This is such a weird relationship . It 's all right . You 're fine , baby . You 're fine . I love Ann . Ann is wonderful . - Look , I do n't want to be like this . Ann has all these under-layers that people would n't imagine that she had . I just want you to hold my hand . I do n't think she believes that she is as strong as she really is . It 's okay . - Eva helped me through it . She was , you know , calming me . And then I fell asleep , and then I was fine . We finally land in

Montego Bay , Jamaica , and the sun is shining , and automatically that Jamaica breeze hits you . What if they took us out on a yacht and have us do bikinis on the boat ? They do the Victoria 's Secret ... They do the Victoria 's Secret ads . I really , really want to be a model . It is a risk for me . I 'm in school right now at the University of Massachusetts , in the nursing program . I have a great internship , where I want to work when I graduate . I 'm gonna be giving that up for this . Ladies . Perfect . So , ladies , we 're here in Jamaica . We 're at the Rockhouse Hotel . We 're so lucky to be shooting here today . So you might have forgotten , I 'm Jay ... Mr. Jay , as Tyra calls me . This is Miss Jay over here to my left , also known as Jay Alexander , the runway ***LOADED diva . Mr. and Mrs. Jay , hi . So , your fashion shoot is gonna be kind of like edgy swimwear . Nick Cardillicchio is the photographer ***LOADED today . Hi , girls . - Hi . Now for all your photo shoots , we have the top glam squad , the best in each of their fields . We got Mathu over there , an amazing make-up artist . And this is Michelle . She is your wardrobe stylist . She 's gonna make sure you all look fierce . We 've got the famous Danilo , a hair magician . I know you 're tired . I know it 's rough . But I need you guys to run it out . Jay Alexander , myself , Nick and Tyra are actually going to judge the fourteen of you to see who does the best and who does the worst . I want you guys to understand , the house in New York can only hold thirteen of you . One of you , at the end of this photo shoot , will be packing your bags and going home , and not moving into the house in New York . One of you , at the end of this photo shoot , will be packing your bags and going home . In Jamaica , Jay Manuel tells us after this photo shoot somebody will be eliminated . The remaining girls will return to New York , and the judges there will make a second elimination based on the photos taken here .

Okay , time to work . I 'm looking at all these girls , I 'm like , " Damn . "

All of them pretty . All of them have like popping personalities ***LOADED , and my competition is tough . And I did have a nervous breakdown on the way to Jamaica . I 'm dead tired . Like my energy level needs to be up . So , are you ready ? Eva , this is not a pin-up . This is not a cheesy , you know bathing suit magazine . It 's fashion . There you go . I think we got it . Here we go , Cassie . Think of yourself as a high fashion model . I want to try something a little more animalistic . A bit savage or something . Think of an animal . This is what I think of when I think of an animal . Do you think animals do this ?

All right , Cassie , we got it . - Great . Next . Put your fingers on the , on your lap with your hand . Kristi , think long neck . - Good . It looks like you have gas , baby , like you gotta fart . We got it . - Amanda , unleash that crazy side . Great . It 's a broken down tall look . I love the broken down tall look . We got it . All right , Kelle . Work . There she goes . - Right in here . Now pick it up . I love where it 's going , but it 's looking a little hoochy . Jay is saying like you know , " Stop looking so hoochy , mama , and start ***LOADED looking more couture . " And I 'm like , " Oh , my God , okay , um ... " We got it . - Cool . Magdalena , can you chin up a little bit ?

Think of elongating the neck . I love Magdalena 's limbs . Her legs are so long . I just feel like I want her to work it more . Think a little animalistic .

There you go . Lose the question mark in the face . That 's great . I like it .

We 'll leave it . The competition 's starting ***LOADED . And it 's hard , because I see other girls , and then you start ***LOADED comparing like they have more fashion knowledge ***LOADED than I do . And you have to be really secure with yourself . What 's your name ? - Leah . - Nick . - All right , we 're shooting . When I get in front of the camera , I 'm gonna have to let go of

all my inhibitions and just hit it . Yes , that 's pretty . Stretch it . It 's
, it 's , it 's gotta feel ... it 's gotta be just very natural . Okay , you
're opening your eyes too wide . Okay , when you get into it , be still . Pick
things you can hold still . Do n't move the head too much . Do n't lose your
pose too much . I think Leah 's a beautiful girl , but I think she was a little
bit self-conscious ... Stay there ... Then Leah does n't take direction ...
Hold still . We got it . That 's gorgeous . The Yaya sisterhood . She is working
as if the rent is due tomorrow . Yes , there you go . Yes , love that . -
African royalty . Yaya blew me away . Every frame was an ad campaign . Great
Excellent . Jennipher , try something totally different . We got it . It 's
great . - Love it , yes . Pin-up is getting a little hoey . Ho , girl , ho . -
Toccara looked amazing in her bathing suit . My concern with Toccara is that
she allows too much of her personality ***LOADED to get into the way . Not
butt up in the air , honey . Down . Looks a little Betty Boop , and it looks a
little pin-up-ish . Yes . Work . Love it . Okay , Norelle . That one feels a
little like you 're taking a dump . Yes . Nicole , shoulder , like rotate the
upper sh ... Yes . Watch that right pinky . - Great . We got it . Here we go ,
Julie . Arms out , maybe . Yes . Love it . There you go . Kamasutra . All right
, here we go . - Ann , that 's looking a little porno . Reach for that light as
if it 's saving your life . Ann , huge disappointment . Energy . - Nothing
happens . - Two hundred percent . Energy , like ... I just want to reach in and
pull something out . Ann is just relying on being gorgeous . But if I have a
dead slab of meat in front of a camera , I ca n't do anything with that . I
need America 's Next Top Model to want to be a top model . Thanks ***LOADED .
You looked good out there . - You never know what they like , you know . You
ready ? - Yeah . So , I know you guys want to get some sleep , so you 're gonna

go and check in at the Beaches Negril Resort . Now tomorrow morning at ten a.m. there 's gonna be a brunch . I 'm gonna stop by at the brunch , and I 'm gonna deliver an envelope . Okay ? We all know what 's gonna be in that envelope . One of you girls have to go home . Hello ***LOADED ? - Hey , Tyra . Hi , Miss Jay . Hi , Mr. Jay . Hi , Nick . So , I 've sent you through some digital photos of all the girls we shot today . I know this is difficult and different , but we need to make a decision . First of all I wanted to start ***LOADED off with Kelle . This picture of Kelle is ... It 's a little hoochie . And Kelle is really like , " Oh , my God . " So where 's this inner hoochified girl comin ' out ? We gotta beat it out , ' cause that is not cute . Next girl . We 're looking at Magdalena , Tyra . Magdalena was one of my favorites . I mean I love her fire . Well , I kept on trying with Magdalena , and I sort of felt like she really did not have any fire . Pretty vacant behind the eyes . - Leah , her shots are just mediocre . There 's something not strong about ' em . Toccara , she looks great . - You guys did your thing by putting her in that swimsuit . She looks slammin ' . So now we 're looking at Ann , okay ? This girl needs some energy . I thought she looked elegant . I thought she looked interesting . The minute she got in front of the camera , she disappeared . I think she 's thinking , " My body 's great . You know I 'm a great athlete , and that 's gonna make me a great model . " All right , you guys , I guess we 're made a decision . See you soon . Bye . Somebody has to go home . I know . - I 'm nervous . I 'm so nervous . I kind of have a little stomachache . What is this , potato ? - Yeah . My photo shoot yesterday was definitely challenging . I feel worried about going home . Well , I gotta give you guys the reality of the situation ***LOADED . About a handful of you were good . A huge group of you were mediocre . And there was a handful that were just bad . This envelope

has one name in it . So after we leave , read the name on it , and this girl has to pack her bags right now , off to the airport , and you 're going home . I 'm gonna leave it right here . See you guys later . ' Bye . I wanted to read the envelope , because if it was me , I wanted to see my name . I mean , it was a little protection for myself , I guess . Magdalena . I just got eliminated , the first girl . ' Bye , guys . Just the fact that I did it , like I 'm proud of myself . I 'm really proud of myself . I 'm still gonna go out there and do me and do whatever I have to do to make myself happy . Magdalena 's gone . After the elimination we packed up and flew back to New York . Get off the plane , and Tyra has arranged a huge S.U.V. limo to pick us up , which is like you know , we 're all big pimping . Tyra mail . I 've arranged this ride to the east side where all you are now going to reside . So off you go to the famed Waldorf Astoria . I 'm like " Yeah ! Yeah ! " I was so excited , like the best of the best , staying in this hotel . Everybody just could n't wait to get to the house . Mama , do you want us to room together ? I wanted to room together with Eva . I had hoped that we could be fair about it . If there 's a discrepancy and we want a room that you guys want , then we 'll play paper , scissors , rock . Ann is like , " We 're gonna play paper , scissors , rock for a bed . Nobody agreed to it at that time for the , like beds or anything . We 're all walking towards the room . We turn that corner and we see our new home . Oh , my God , the walls . The house is absolutely gorgeous . There 's so many different styles . There 's our meeting ***LOADED room , which is the orange . You know , like runway ***LOADED practice . And then you have the Editor 's Suite , which is just this gorgeous collection of like worldly travels . Oh , my God , it was so overwhelming . And then you go and see all the bedrooms . What the hell , guys ? - There 's this one room , The Studio , which is very

much like , you know there 's film , like cameras hanging around . It 's pink !
It 's pink . We ran through all the rooms . I just stopped in the sitting room
. I 'm like " This is mine . " Pink . I love pink . I walk into the next room .
It 's video couture room . Everything 's like the raw silk . Like I need this
room . Indian calls this bed . - Thirteen of us in this house right now , and
we 're looking and there 's four beds in each room , three rooms , that 's
twelve . So I knew that there was gonna be some problems . Okay , that 's my
bed . - This is mine right here . Girls were grabbing beds and stuff , and I
was waiting for Eva . Oh , my God , look at this bathroom ! I thought we 'd
room together . Look what I found . So I 'm like so excited about the things in
the house , I did n't even run for a bed . As usual , I 'm the last one
trolling along . Someone 's here , someone 's there and someone 's there .
This is not happening . No. ... talking about it . - Talk time . Family room
time . - Let 's go . Family room time . This is a bed , I 'm here . This is my
hut . It turns out there 's a bed in the editor 's suite . - I got my bed ! All
right . As soon as Eva said " I 'm gonns sleep in the family room , " Ann threw
a big hissy fit . Two people wanted one room . Then draw . Whoever loses ,
loses . - No , I 'm not . I 'm staying in my room . I 'm staying where I 'm at
. - Will you listen ***LOADED to want I 'm saying . - You want to room with
Eva . Well , that 's not possible right now . Okay , but yes it is , because we
... Like are you kidding ? Okay , well then I ... Great . Go ... yourselves .
Ann , big deal , tough titty . I 've become really close to Eva , and I would
think that I was in her position , I would have been like , " No , I 'm rooming
with you . " Well , she kind of just played passive and said that she was gonna
live in the living room , so now I 'm living in the pink room . This room is
called Pink Positive , so you have to be positive in the pink room . As much as

I love Ann , I am gonna be Eva regardless . Ann can bitch ***LOADED and moan , but Eva 's gonna remain Eva . My room is , I do n't care . Look at my stuff . Is n't that an awesome view ? - I have n't seen the outside . After moving into the house , me and Eva have split up . It 's important to me right now for me to have a friendship with Eva , and I did ask Eva to talk . I 'm hurt because you did n't stick up with me to room . How did I not stick up ? I 'm sorry . It 's not true . - Because you did n't say ... No , Eva . If you want to bitch ***LOADED and moan about everything , Ann , let you . That 's not my personality ***LOADED . That 's not how it 's gonna happen . But if you ... If you do n't want to room with me , like is that not something ... Far from it . If we had ... - Okay , that 's fine ... Ann , as close as we are , we still do n't know each other . And that 's a fear for me , because for only one person in this bitch ***LOADED I 've let my guard completely down . I do n't want to change the way I feel about anyone , like I do n't want to con ... try and control that . Like I love you . Like I will be friends with you forever . I know . You 'll be in my wedding . Like I swear to God , like I love you . It kills me to walk around this house knowing that I ca n't like talk to you . Ann is co-dependent . Ann needs Eva to survive . I believe in you . Like I want you to win this more than like I want me to win this . Ann does n't know how to be independent and confident on her own . And I think that will definitely show through in pictures . Okay , shut up . Since we 've been here , we have n't had a lot of time to sit down and be like , ah , relaxed . Come on , girls . - But we 're gonna have a good time today . Everybody . I do n't want to leave without anyone . Today we 're gonna take a tour of New York City . That 's Rockefeller Center . That 's where they do ice skating . And Kelle is our tour guide . - This is Christie 's , you guys . This is where I spend most of my

time working at auction houses . I would like everyone to know a little something about me , and I 'll know something about them . I figured I 'd show you Fifth Avenue stores . Gucci , my baby . Are you the only child ? - Yeah , clearly . - What do you mean , clearly ? Clearly an only child . Clearly . In my house , like I have my own floor . Really ? The top floor . - My description of Kelle would be up-crappy , stuck-up white person . I live on the couch . I got the living room . I do n't even have a freakin ' room . Kelle 's on everybody 's list right now . When I was eleven , I did a little thing . She just tries to be everything , and the girls are n't gonna deal with that . This is Kelle signing out on my backyard . Guys , we have new toys . This T-Mobile Sidekick two-way pager ... Internet , e-mail , a mobile phone . It 's like a phone with internet . We 've got a message , guys . You 're having a special dinner tonight at your new home . Be ready by eight-thirty . Do n't be late . So everybody 's all excited . - We had no idea where or what our dinner was gonna be . Everyone 's like rushing to get showered and get dressed . Hello ***LOADED . - I 'm like , " Okay , Tyra Banks just walked in the door . " It was like ... have dinner . I brought you some food . Dinner with Tyra in our fairytale loft is just insane . You guys are extremely special . Every single person in this room has something that 's not safe , that is interesting . And you 're gonna be working with some of the most amazing fashion people , which you already did in Jamaica . How was Jamaica ? Except for the fact that Jay said we did n't do very good . Everybody 's gonna get feedback . Listen ***LOADED to that . And really examine your body , you know , and find out , okay , this is not so strong . How can I make the world think that 's beautiful ? ' Cause I have a whole lot of stuff . You know I have cellulite . Nobody would ever know that , you know , ' cause I 've covered up in a way that you 'd

never know . I talk about it , but you never see it . It is your job to make the public think that you are perfect . But you are not . None of us are . Why do n't we go around the room and talk about imperfections ? What do you think yours is ? - My nose . The bump on your nose ? - Yeah , I have a bump . - Sometimes as a model , you might get made fun of something constantly . Like , " Oh , look at your bump on your nose , " and " a humpback nose . " You know what I mean ? And then you get to a photographer ***LOADED or somebody like Jay , and he 's like " That 's beautiful . " And you 're like " Huh ? " I have n't had clear skin since I do n't know when . I think it 's big booty . - Big 's not always bad . I got a big booty too , now . - My thighs rub together . And when I went in , they got stuck . I think I sometimes can have a common look . I think your forehead saves you . - I was always made fun of for that . You know when I was in elementary school , I was five head , I was ... You do n't have a forehead , you have a five head , so big . But the first thing that the modeling agency that accepted me said is , " Your forehead is going to be what gets you over . " That if I had a smaller forehead , I would have probably looked a little bit too common and too safe . Norelle ? - My ears . I hate them . - All right , let me see them . My profile , it 's like I have a protruding mouth ? You know what I mean ? I always feel like it 's like a monkey mouth . Like , oh my God , did she just say that ? The first that came to mind was a monkey , you know ? And it 's like , whatever . I guess I can look really , I do n't know , primitive . I was like , " What ? " Like are you serious ? You obviously have issues that ... whatever . We 're gonna have to do some profile shots and then analyze that . I like your monkey mouth , girl . I 'd be like " Go , Curious George , work it out . " I 'm glad you guys are so honest . You know what I mean ? ' Cause that 's what it 's about . It 's great that

everybody understands that you 're not perfect and that this is a business of smoking mirrors and fooling people to think you look like something else . All right , I 'm out . - Thank you . ' Bye , girls . ' Bye . Tyra was very helpful , and it was just so cool because she ... you know , she 's on our level . Kelle is really getting on my nerves now . Did you see when , when she was like , does the side of my mouth look like a monkey ? My profile , and I almost feel like it 's a monkey mouth . It 's one thing to say , " Oh , I 'm a white girl with a tan and I 'm like total and Oreo . " But then to go around calling yourself a monkey ? That 's just stupid . She 's like " Yeah , and I have my own floor and my own bathroom . " And we 're like " Why do you think we think that you 're a spoiled little brat ? " A lot of people have a lot of bad things to say about Kelle and talk about Kelle behind her back . I 'm the type of person , I 'm just gonna tell you how I feel . I was just talking to Yaya because a lot of people have been saying a lot of stuff about you . - Like what ? You know , like the comment you made , like my mouth it looks like from the side like a monkey . I did n't think of it like that . - I know , I understand . It 's not you trying to be white or that people think , you know the way you talk . What irks about you is that you 're spoiled . How am I spoiled ? And yeah , I was given a lot of things , but a lot that I have I bought for myself . And I worked hard for it , and I 'm damn proud of everything I have . I do n't have any friends here . And no matter how I say things , I 'll just always be the bad guy . I try to talk to people , and I try to be friendly , but everyone obviously gets together and has ... creates these own little opinions about me . So like what am I supposed to do ? It hurts so much , and it 's really hard . I did n't expect it to be like this . All the girls . They got together and started ***LOADED talking about me and saw me as like this

spoiled brat . It 's really easy for somebody to pass a judgment on something without knowing all the information . But I do n't even ... When people ask me what pants ... pants are you wearing , I 'm like ... They 're Gucci . I ca n't help that . It 's all me against every ... basically like everyone else . Look , I try be like strong and hard so they do n't think I 'm weak and walk all over me . It hurts and I do n't ... Come here . It 's gonna be okay . Knowing I have like a friend , it makes me feel so good . You guys ... - What ? - I have mail . Tyra mail . You have your first meeting ***LOADED with the judges . Only twelve of you will continue on in hopes of becoming America 's Next Top Model . One will be eliminated . - Why are they doing this to us ? I 'm a little bit nervous about tonight 's elimination , just because I have n't seen photographs ***LOADED . Just looking a little hoochy . Every girl is beautiful , but how you photograph ***LOADED can be completely different . Whatever it was in that last thing , I was n't like ... Do n't move the head too much . Do n't lose your pose too much . Like I 'm really , really nervous about tonight with the elimination . I 'm definitely a possibility . I 'm so nervous . My performance in Jamaica was n't up to par . Energy . - So if I was eliminated , I would n't be surprised . Hello ***LOADED , ladies . - Hello ***LOADED . Now it 's time for the judging panel to make its first cut , which will bring us one step closer in determining who will be America 's Next Top Model . The winner ***LOADED will receive a contract with the top international modeling agency , Ford Models . The winner ***LOADED will also receive a spread in Elle Magazine , shot by fashion photographer ***LOADED Jill Bensimone , who 's also responsible for a lot of my early modeling success . And last but not least , a one hundred thousand dollar contract with Cover Girl Cosmetics . Now I 'm gonna introduce our panel of judges : Miss Janice Dickenson . Janice is one of the

world 's first supermodels . - The first supermodel . Nigel Barker , who is a noted fashion photographer ***LOADED . We have a new judge , Nole ' Marin . Nole ' is a very prominent fashion editor and a stylist . And , of course , we ca n't forget ... - Empress Minnie , the legendary girl herself . Now it 's time for your individual evaluations . Yaya , you 're first . You went to Jamaica , and we have your best photo . Here it is . - Ya ya ! Strong . - It 's so hot . Extremely regal . Very strong . The photographer ***LOADED had one comment , though . He said that you did have a poor complexion and that you needed to work on that . Next is Ann . Here 's your best shot . Your face , flawless , but the , but the passion behind it , zero . You 've lost the heels because you 've buried them in the , in the volcanic . It would be nice if we could a bit of them . It would actually give your legs more shape . The photographer ***LOADED thought you were so beautiful , but then he said he got you in front of the camera , and of all the girls you were the worst . Give us the passion , because unfortunately someone who may not be as pretty as you will conquer you . All right . - Cassie . Here 's your best shot . I like how her shoulders are kind of up a little bit . It 's kind of giving a little ... You look about two months pregnant there . You 're a slim girl . It 's just you get relaxed and pushin ' your butt out , but you got to suck your stomach in at the same time , and it 's really hard . But you do n't have lose weight or anything . Okay ? - Okay . - Kelle . What are we modeling here ? - It does n't show anything . There 's no bathing suit . I know . The hand coming through your hands looks like something that is on a man . I saw the film , and you were very ... And it was like , " Who was that ? " - Norelle . Here 's your best shot . - I do n't get it . Your shoulders here are thrust forward . Your left leg is lost . You do n't see anything of the bathing suit . The right leg

looks twirped . I just think you need to relax your face . You look very uptight . A lot of your pictures did have that kind of tightness , and it 's because of your braces . Your lip is being pulled down . Okay , next we have Eva . It is a little music video-ish . You 're putting too much weight on your left knee , so it 's coming like " Hey " as opposed to ... Open up Elle and a Vogue . Try to copy or mimic what the girls are doing , like ... Jennipher . - It 's one of the best pictures we 've seen so far . You show a lot of confidence . And you have very long hair , I notice . Is that all real ? Yeah . - It 's beautiful but not very practical for modeling . The Crystal Gale look is not in fashion . Amanda ? - Overall , you know I think you need to look more like a model . You look you 're gonna sign on a piano . - Here 's your best shot . Your legs are totally distorted . Go to the close-up . - Gorgeous . - Yeah . Gorgeous head shot , body shot ... You continue to raise your eyebrow ***LOADED . You know , the Zoolander . I used to be able to do it , but I have so much Botox in my face , that I ca n't really do it anymore . Julie , here 's your best shot . Now I like that . - Fabulous pose . - I feel like I 'm about to do like the little pigeon like thing where I 'm like " wrr , wrr , " Nicole . Well , the face looks very pretty . Girl , when I went through your film , every picture was a pinky . Oh , my gosh . When I first started ***LOADED modeling , my intensity was in my lips . I could n't get it out . - What 'd you do ? Toccara . - Hello ***LOADED . Here 's your best shot . - It 's a good shot of you . I like that . - You really have embraced your body . I do n't know . You might be giving these skinny little bitches ***LOADED a run for their money . Next we have Leah . Here 's your best shot . - Interesting , because you know what ? One of the things I noticed about you is that when you look at me , you look like you 're staring ***LOADED at me . And in this

picture they 've chosen the one picture where your eyes are not looking at the camera . You have mad eyes . Right . - The pose sucks . - And lose the pearls . This is a model contest , not a secretary contest . Take off the jacket . - Screw up the hair . There , we 're getting ' there . There you go ! Now that 's a model ! The photographer ***LOADED said that you 'd rolled your head a lot and your rhythm was off . It has to be roll , snap , roll , snap . And you were snap . Got it . - Kristi . It 's gorgeous . - I like the body looks fantastic . Great legs . I 'm actually pretty impressed . But looking at you here , you look like you fell off like the dairy truck . Now it 's time for the judges to deliberate , and we will call you back and one of you will be eliminated . Ann ? - This girl , no . She has no drive . - I think she has one of the best faces here . My biggest problem with Ann is that she just has no personality ***LOADED . She has n't got any umph . - Toccara ? She 's definitely gonna break the mold . - She 's gonna break something . I think Toccara is bodacious , bubbalicious , sexy . She has a face that is stronger than a lot of the girls . - That 's true . Nicole ? - There 's something very model to me in Nicole . She has a lot of potential . - Julie . I love that Julie embraces her heritage of being Indian . Julie does n't know how to give that extra something along with the pose . Amanda . - There 's a major question mark with Amanda . But the great thing about her , she 's had a baby . She had a baby ? - She 's a mom . Look at her stomach . - Great body , then . You ca n't even tell , so ... - Bitch ***LOADED . Jennipher ? She 's one of those girls that thinks , you know , my hair is long , that makes me pretty . She 's not like pow , but she 's not , she 's not a dog . Eva . - Ghetto super-hero in that picture . That 's a good one . What would her name be ? Sheniqua . - Evalicha . Evalicha , that ... - There ya go . Norelle ? - I do n't know . Norelle is a mess to me , especially

in this picture . The way she presented herself tonight was deplorable . She reminds me of the young girls that come into the modeling agencies ... They 're just really awkward and gawky . Yeah , with the braces and the biting of the lip . Kelle ? - She 's completely a couture diva . I think Kelle 's skin is like fabulous . It 's ... It looks like a lotion ad to me . Cassie ? - She 's got that white kind of sell a lot of mascara thing . I 'd like to see what we can do with Cassie . - Leah ? Interesting eyes , but too focused , I think . Sort of possessed . But look at the body . Body is dynamite . She is in . - She 's not memorable to me . - I call her soccer mom . She 's like , " Hi , honey , you ready to go to school ? Do you have your knee pads ? " I want to see if we can rise to the challenge of breaking the soccer mom out and putting edgy in her . Yaya ? - This girl is a diva . About sixty percent of her photos were usable which is a very successful model 's percentage of film that should be used . Kristi ? When I saw Kristi in the line-up , I was just mortified by how poorly she was dressed . She looks like , you know , a model there , but in person ... We 've reached a decision . I have thirteen young ladies standing before me , but I only have twelve photos in my hands . And these photos represent the twelve of you that will still be in the running towards becoming America 's Next Top Model . The first name I 'm gonna call is Yaya . Congratulations . You 're still in the running towards becoming America 's Next Top Model . Thank you . - Kristi . Julie . Jennifer . Kelle . Cassie . Toccara . Congratulations , Toccara . really very difficult for the photographer ***LOADED to capture you because your rhythm was so off . Ann , at your photo shoot you were so dead . A photographer ***LOADED needs to be inspired . The girl that I do not call must immediately pack your belongings and go home . Ann , congratulations . You 're still in the running towards becoming America 's Next Top Model . Thank you . I know I could have done better . That 's the name of the game , though . You have to give it all at that one moment ***LOADED . If you do n't , then you do n't get the job . I did n't get the job , you know . You do get told no . I got told no . But that does not mean I 'm gonna stop . That does not mean that you 're not gonna see me out there . Coming up on " America 's Next Top Model . "

The girls get dramatic makeovers . You ready ? I 'm gonna cut it all off .

Amanda , with her eyes . - With the blue eyes with the blonde hair ... I do n't know . I guess I 'm a little scared . The girls are starting ***LOADED to feel intimidated by me . And someone reveals a secret that could get her housemate eliminated . That 's why I do n't confide in you . That 's why I do n't tell anyone anything .
