t005541 - Previously on " All Stars , " I will not be eliminating any queens this season . - What ? - What ? - This season , you 'll be eliminating each other . The winner ***LOADED of the lip sync will eliminate one of the bottom queens . - That was a choice . - We 're gonna make love to the clap tonight - Girl , find the note . - I did n't hate ***LOADED your hair . - I did it myself . - That shows you 've done something . I do n't care ***LOADED if you 're gonna give me your hog body line or whatever it is . - Oh , my God . - It 's just I expected more for you . - Roxxy Andrews . You 're a winner ***LOADED , baby . You 've earned a cash tip of \$, . Which queen have you chosen to get the chop ? - I won money and I might lose a friend , but the girl that I chose ... Is Coco . - Coco Montrese , sashay away . - Bitch ***LOADED . - Coco . - Oh ... - I 'm very torn about winning these lip syncs . Having to pick these girls week by week is going to be so hard , but I also came here to play the game , so ... - Bye , Coquita . - Well , this is definitely " All Stars . "

Tatianna , who was your choice ? - It was , um , it was Coco also . I did n't think ***LOADED she represented herself to the best of her abilities . Giving the winner ***LOADED of the lip sync the power to send one of the bottom people home changes the whole competition . I feel like now I have to not only impress Ru , but also impress my competitors . It 's not fun . - This is a

fucking doozy and it 's just starting ***LOADED . - Just starting ***LOADED .
- Just starting ***LOADED . - When she said safe , I was like , okay , bitch
***LOADED . So then they gave her her critiques . I said , well , damn . -
Yeah . - I 'm glad I got my one-way ticket to the back room . - Exactly . -
Like , we were back there , like , Jesus , they 're going the fuck in . - And
they were poking , bitch ***LOADED , just like every little wrong thing
***LOADED , they got everybody for . - It 's become immediately very clear ,
this is " All Stars . " This is gonna be hard . There 's so much talent in this
one room , this is gonna be something to see . - Every time . - Whoo-who ! -
You know , coming in this competition , you think ***LOADED you can prepare .
It 's like everything you thought ***LOADED you knew flies out the window
***LOADED while you 're going on the highway . - We 're still here and we get
to send people home next week . - Who would you have sent home ? - I thought
***LOADED I would 've chosen Phi Phi . - I do n't know , man . - I do n't ,
either . I do n't know if I could do it . - Ru gave us a responsibility . As
the competition progresses , it 's going to get more difficult . And could it
be one of those situations where you scratch my back , I 'll scratch yours ? It
's going to be interesting to see how this turns out . Baby , this is " All
Stars . " Game on . - The winner ***LOADED of " Ru Paul 's Drag Race All Stars
" receives a one-year supply of Anastasia Beverly Hills cosmetics , a coveted
spot in the " Drag Race " hall of fame , and a cash prize of \$, . - Drag race
, May the best woman Best woman win - The category is Bundt cake . - It 's a
new day and I 've been able to kind of sleep on everything . This new power
that we 're given , it changes everything . It 's like fucking drag survivor ,
so nobody 's safe . No one . - Tatianna said like this . Tatianna , here 's
Tatianna . - And choices . Choices . - I 'm still feeling a bit burned from the

judges ' feedback . I 'm feeling sideswiped and I 'm not liking how I 'm feeling . - Ooh ! - She 's already done had hers . - Hey , queens . - Hey . - Now , I brought you here because you are all stars . But now , I want all new stars . Do n't worry , it 's not personal . It 's drag . So who else you got , huh ? Hello ***LOADED , hello ***LOADED , hello ***LOADED . - Hi . - Hi . - I 'm giving you all Mini Mouse . - Ladies , here in Hollywood , all the biggest celebs know that the key to longevity is reinvention . So for this week 's maxi challenge , you get to reinvent yourselves all over again because it 's time for an " All Star " edition of Snatch Game . #Snatch Game All Stars . - Oh , my God . Snatch Game already . - It 's like Christmas came early . Oh , God , I ca n't even say it . I 'm not even gonna say that . I was gonna make a joke about - Gentlemen , start ***LOADED your engines , and may the best woman win . Come on , okay . - This is the snatchety snatch snatch , snatch , snatch , snatch . - Who are you doing ? - Teresa Caputo . - I was also going to do Teresa I 'm going to do , um ... - She 's like ... - I 'm doing Teresa Caputo . - All right , battle of the Teresas . - And you ? - Mae West . Who are you doing ? - I 'm going to do Bjork . - Oh , right . - " All Star " Snatch Game gives the chance for those who bombed in their season to really stand out . So Alyssa , Detox and Phi Phi have a lot of work to do . - Girl , the last minute Snatch Game fucking sucked . In Season , I sucked on the Snatch Game . Work it , girl Give a twirl , give a twirl , give a twirl So this challenge is important . - I think ***LOADED I 'm gonna do Nancy Grace . I think ***LOADED that 'll be fun . It 'll be something different for me . It 's super important for me to do very well because I shit on myself , pretty much , the last time around . - You 're at the Snatch Game , honey . - What 's that ? - So the pressure is very high . - You 're doing Joan Crawford . - Yeah . - Joan Crawfish . - Ms. Mommy

Dearest . - Yes , God . - Now , can talk like Joan without your accent ? - I think ***LOADED you should leave the accent . - I 've fought worst monsters for years in Hollywood . - Alyssa 's got to redeem herself from the Katy Perry . - Have you ever kissed a girl ? - Oh ! Rue , never . - But , uh , yeah . - ' Cause it 's either going to be a train wreck or it 's gonna be a fun , hilarious train . It 's gonna be a train wreck regardless . - Who did youoh , you won the Snatch Game in your season . - I won the first ever Snatch Game . - Oh , so you think ***LOADED you 're somebody . - A little bit . A little bit . My Britney Spears got me far . - Britney , Dumb Dee Dee 's so dumb , last night she got arrested for driving without a ... - A baby in her lap . - - Do you feel like you have more pressure now that you already won ? - Um , a little bit , but I 'm trying not to even get in that mindset . - Yeah . - Should have let her know , bitch ***LOADED , that was unintentional , darling . The one joke she had was anAdore , are you okay ? - Uh-huh . Even though I 'm trying to put on a smiley face for the day , everything 's just processing . And at this point , I 'm just trying to figure shit out . - Hello ***LOADED , hello ***LOADED , hello ***LOADED , kitty girls . - Hi . - Hi . - Adore Delano . - Hi , Ru . - Now , last time , your Anna Nicole Smith was on point . It was iconic , actually . - Thank ***LOADED you . - Who are you doing ? - Um , Jan Crouch . - I live for her . - Yeah . - Why are your eyes all red ? - Um ... I did n't expect I just did n't expect it to be like this , I think ***LOADED . I 'm thinking ***LOADED of going home . - Of tapping out ? - I think ***LOADED so . - I 'm thinking ***LOADED of going home . - Of tapping out ? - I think ***LOADED so . - Why ? - I think ***LOADED that , like , the critiques last night and just , like , the vibes . - You felt they were extra harsh ? - Yeah , I did . The Adore thing ***LOADED is the flannel and the fucking Riot girl and

grunge-inspired nineties movement ***LOADED kind of thing ***LOADED , and it
's such a sensitive subject for me to work with hundreds of queens that do n't
get it . And then to come back here , and I feel like Michelle does not take me
seriously . I believe in beauty in a denim jacket and barefoot . - I love all
forms of drag . - Of course . - But if you 're saying that because of the
critiques on the main stage are the reason you 're tapping out , is that enough
to tap out for ? I feel like you are being sabotaged by your inner saboteur . -
I look really dramatic right now , but it means a lot to me to just stick to my
guns . I know how hard it took for me to gain that confidence and own my
stardom like you taught me how to . - What you 're doing sounds like the
opposite of confidence . Confidence means you 'll weather the storm no matter
what . I just know that you 're stronger than this , and I feel that you 're
making this decision based on fear . The idea of tapping out and not sticking
it through , what do you think ***LOADED that says to your young fans ? - I
've taken what you 've given me and I 've built a career ***LOADED off of my
aesthetic , and that speaks to them all . On social media , there was some
critiques made about my drag aesthetic , and I tried to kind of like , you know
, zhuz it up . At the meet and greet , one of the fans came up to me and she
was upset . She was just , like , you look so uncomfortable and I know you did
this because of this . And just know that what you do , this is why we dress up
like you . And there 's no one like you right now . And to hear them say how
much it means , that 's all running through my head . - You know , you are
loved here , and I want you to stay . I feel that you will live to regret this
, and that 's your prerogative . - I am so forever grateful , and I love you
like a fucking family member . You 've changed my world . I have to go . - Is
there anything I could say to you that would make you change your mind ? Is

there anything in the world ? Because I 'll say it . - I feel really confused .

- I 'd like for you to talk to Michelle , because I know what she said on the main stage is a big part of this . I respect whatever decision you make . - I 'm so sorry . - Well , let me give you some love . I want you to go and talk to Michelle so you can resolve that , okay ? All right . I love you , kiddo . -

Thank ***LOADED you very much . - All right . - I cannot believe Adore is actually seriously considering leaving the competition voluntarily . I 'm hoping that Michelle can say something to Adore that will make her stay . -

Hello ***LOADED , Alaska . - Hi-ee . - Things ***LOADED are just changing around here by the second . - I 'm so disappointed in what is happening with Adore , and I ca n't even believe that it 's even happening . This is a huge opportunity , so it 's really upsetting , and I hope she changes her mind . -

Yeah . I hope she changes her mind . But , you know , when you 're up against that kind of energy that 's in your head , it 's hard to overcome it . All right , well , let 's talk Snatch Game . You did Lady Bunny last time , and you did it very well . You were very funny . - Thank ***LOADED you . - And this time I see a big hat . Is that Mae West ? - Oh , yes-uh . - Have you ever done Mae West before ? - No . - You know , a lot of her catch phrases she had a ton of them . - Mm , yeah , a hard man is good to find , mm , mm . - Mae West is a funny character , but the thing ***LOADED is , there are a lot of fierce bitches ***LOADED here . Do n't underestimate what they can do . - Absolutely . - Well , I cannot wait to see you in the Snatch Game . Make me laugh . Bye-ee . - Bye-ee . - Hi . As I see Michelle outside , a bunch of emotions are coming . I 'm upset , I 'm confused . - Honey , what 's going on ? - I 'm leaving . -

Tell me why . - I just did n't feel like this is for me . - Because ? - You 're a bit harsh , bro . - Listen . - But it did n't seem constructive . It felt

like let 's kind of - Like take her down a notch ? - Yeah . - If you thought
***LOADED it was personal , absolutely not . - I thought ***LOADED it was
personal . It sounded personal . - No. Absolutely not . - I wanted to throw
***LOADED out my soul . - What did you think ***LOADED you were going to come
into ? You know that everything I say is not for me to be a bitch ***LOADED .
It 's for me to push you and push you and push you . I want to see you , in
years like Ru Paul . I want to see that . We 've talked about your drag
aesthetic . We 've had many arguments about it . I 'm pushing you to do
something , yeah , okay , off-brand maybe or something you would n't do
normally . - Outside of this competition , Michelle and I have worked a lot
together . She definitely tries to do the mother hen thing ***LOADED with my
aesthetic . - While we are here to celebrate all that makes you different , it
's still a competition . - I also do n't want you to think ***LOADED that I am
being a brat or unappreciative . The reason why I get so emotional is because I
do care ***LOADED about you . And going back to getting judged by you , the
dynamic is completely different . - It is ! - And it 's fucking with me ! -
Again , I can only apologize if it came out harsher than it was intended . I 'm
apologizing to you in front of fucking cameras . I do n't even apologize to my
children . That makes me sad . - I know . It makes me sad . I 'm not even ,
like , myself . I 'm not Eeyore . Like , I 'm sick of it . Like , I 'm , like ,
walking around with puffy-ass fucking eyes . I 'm trying to smile and shit
looking like a fuckin swollen baby . - Tomorrow 's You 're so stupid . Tomorrow
is another day . I do n't want you to wake up tomorrow morning and go , what
did I do ? And that 's a possibility . - I do n't want to put Michelle or
myself in a position to where either one of us have to compromise . This is her
job . She 's a judge . I 'd be damned if I go down that runway ***LOADED and

her look at me and be like , fuck , I got to take easy because she 's the chiona . There 's a part of me that 's saying , like , can I stick it out ? - Coming up ... - Can I be honest ? I think ***LOADED your Joan Crawford is more like ... It 's too you . - I 'm definitely noticing , working with Phi Phi , she 's very strategic . - I 'm just saying , you sounded like Alyssa . - Hi , Tatianna . - Hello ***LOADED , Ru . - The last time you played Snatch Game , your Britney was exquisite . You won the challenge . How are you gonna repeat your success ? - I 'm doing Ariana Grande . - Oh , my God , of course you are . - Yeah . - What are her catch phrases ? - She does n't have too many catch phrases , but she 's given a lot of funny moments ***LOADED . - I have a feeling ***LOADED that for the decades since you were on , that you have been waiting for this moment ***LOADED to see all these bitches ***LOADED with your hands . Am I right ? - Yeah , to a certain extent . I realized never try to win over the naysayers and the haters ***LOADED . Put all of your energy into impressing the people who were supporters of you from the beginning . - That is very wise , because you know what ? I ai n't got time for the people who hate ***LOADED me . I 'm too busy loving the people who love me . - Exactly . - Are we gonna see you with them hands on the Snatch Game ? - Oh , yes . - Make it funny . - Definitely . - Okay . - Thank ***LOADED you . - Hey , Roxxy . - Hola , mi amor . Como estas ? - You won \$, last week . - Oh , my God . - You had to also eliminate a queen . - A girl that I 've known since I started ***LOADED drag . - Wow . - And I might not have that friendship because of it . - But , honestly , she 's a seasoned queen . She knows how this competition works . Do you really think ***LOADED that she will hold it against you ? - I know if she was thinking ***LOADED like me , I would think ***LOADED that 's my girl , Roxxy . Since she won , maybe she 'll keep me .

Like , you know , she 's on my side . - Now , last time you played Snatch Game , you did very well . - Boom ! Yes ! - Yes , you did Tamara Braxton . - Tamara Braxton , yes . - I have no idea . - A Latina . I love Ellen . - I do n't know . - Sofia Vergara . - Of course . - Oh , my God . - I cannot wait to see you out there in the Snatch Game . Just make me laugh . - I will . - All right . - I promise . - Thanks ***LOADED , Roxxy . - Thank ***LOADED you . - All right , listen up , ladies . In a few moments ***LOADED , I 'll meet you on the set of Snatch Game , where we will be joined by two legendary queens . " Drag Race All Stars " Raven and Juju will be your celebrities . - Oh , my God . - Juju and Raven are going to be here ? Fuck . It 's gonna be a son of a bitch ***LOADED . - So good luck and do n't fuck it up . - Whoo . - Adore finally comes back into the work room . She looks like she had just been crying or something . - Um , I just do n't feel like I 'm in it . It was something different than I thought ***LOADED it was going to be . I think ***LOADED I need to go . I 'm leaving " Ru Paul 's Drag Race All Stars . " I feel like shit . - I love you , but I do n't want you to give in to giving up . - I just do n't think ***LOADED that this is for me . It 's so hard to say goodbye to everybody . Good luck . - Oh . - I know that not everybody is going to agree with me , but ... - It 's disappointing . This is a huge opportunity that we 've been given , and so many people wish they could 've been here . It does suck because , you know , he 's a good friend of mine . But at the same time , just one bitch ***LOADED down who also was a strong competitor . So I 'm just that much closer to the crown . - How do you feel ? Can I be honest with you ? - Mm-hmm . - I 'm just gonna be honest . I think ***LOADED your Joan Crawford is more like ... It 's too you . - - I do n't want you , like , offended by what I said . - Oh , I 'm not offended . - Okay . I 'm just saying , like , you

sounded like a Alyssa . - So ... - I 'm definitely noticing , working with Phi
Phi , she 's very strategic in this competition . She 's dropping little
comments , I think ***LOADED in an effort to make us a little insecure . - Are
you sure ? I 'm second guessing this accent . I am totally getting in my head
about it . I 'm thinking ***LOADED I am going to change my character
completely . - Coming up ... - You know , I 'm black by injection . - - Where
's the body ? - Barbara , please . - - Welcome to the " All Star " edition of
Snatch Game . Let 's meet our contestants . A stay-at-home mom from Riverside ,
California , Raven . And a flight attendant who likes long walks on the beach ,
big dicks and fried chicken , Jujubee . - Hi . - Ladies , are you ready to meet
our stars ? - Yes ! - Yes ! - Praise the Lord , it 's Tammy Faye Baker . -
Forget it . - Are you wearing makeup ? - Just a little Chapstick . - My
goodness , you are one of my favorites . - I know . - Moving on , the original
blonde bombshell , Mae West is here . - Well , howdy-doo , Ru ? - How 's my
little chickadee ? - When I 'm good , I 'm good , but when I 'm bad , I get a
serious venereal disease . - Next , the totally whacky and original Bjork is
here . - I love your suit . - Thank ***LOADED you . - It reminds me of the
lining of my small intestine . - Next , the Long Island medium , Teresa Caputo
. - Ru , does December th mean anything to you ? - Yes , actually it does . -
Did you receive a gift on that day ? - I absolutely received a gift on that day
. - I got a gift . - Wow . - Do n't mess up my hair , please . - Sorry . - Now
, ladies and gentleman , the legendary Joan Crawford . How are the kids , Joan
? - Deliberately trying to embarrass me in front of these reporters . -
Oh-ho-ho ! - I fought worst monsters for years in Hollywood . - Yes , I know .
- Barbara , please . - - Do n't fuck with me , fellas . - All right , now TV 's
toughest legal eagle , Nancy Grace is here , ladies and gentlemen . - Breaking

news , we need to get down to the basics of the alleged child abuse . - Joan Crawford ? - Where 's the body ? - Christina , bring me the ax . No ! - Moving on down , Ariana Grande is here . - Hi , Ru . - Are you ready to break free ? - Yeah . - Next , the one and only Alaska . - Hi-ee . - Roxxy Andrews total last minute decision to switch to Alaska . - I just have to ask , is that a wig on your head ? - Uh , if you 're not wearing wigs , then you 're not doing drag . - Girl , even I know that Alaska 's song is " this is not a wig , this is my hair . " - What 's the big idea ? - Yeah . All right , let 's play Snatch Game . Juju , this is for you . - Okay . - Those sexy Kardashian sisters are starring in a new sci-fi epic called " Star blank . " Pens down , celebrities . Okay , Jujubee . - I 'm gonna do it . " Star Booty . " - " Star Booty . " - Uh-huh , girl . - Let 's go to the celebrities and see if you have any matches on that . - Zero . - Joan Crawford . " Star Booty . " That 's a match . You got it , lady . - You think ***LOADED you 're clever , do n't you ? - - Well , think ***LOADED again . - Let 's go on down to Oh , Alaska , what have you done with your lipstick ***LOADED , darling ? - Oh , my makeup is terrible . Now , Ru , I did n't put booty , but I did put anus , available on i Tunes . - You know , close , but not a match . - Aw . - Missed it by this much . - Hi-ee . - Okay , here we go . Ariana Grande , oh , she 's got a doughnut . You 're licking the doughnut . - I love doughnuts . - You love doughnuts . - And I love America . - What 's your favorite thing ***LOADED about America ? - Oh , gosh , the people , the places , the things ***LOADED . - Yes . - Nouns . - Yeah . So I just , you know , I drew a doughnut . - " Star Doughnuts " is not a match . All right , let 's move on down to Nancy Grace . - This just in . I wrote " Star Injections . " - " Star Injections . " - Illegal injections of silicone into the body . - You know , I 'm black by injection . - Oh ! This is going to

be for Raven . The pit crew have spent way too much time around drag queens .
Now , before they slip on their Andrew Christian underwear , they blank . Raven
. - They take a very tasteful photo of their nether regions so that they can
post it online . They take a selfie . - They take a selfie . Let 's see if you
've got any matches over here . - All right , Tammy Faye Baker . - As it says
in the book , before thou puteth oneth a thongeth ... - Yes , uh-huh , yes . -
Thou must pray . - Pray . - Pray . Yeah , I got to pray before I put on my
underwear . Most of the time they do n't even fit anymore they 're so filled
with God 's love . - Yes , that is not a match , but a very , very good answer
. It 's a very good answer . - I just - You tried your best , darling . - I
tried . - Moving on down to Bjork . - Actually , I think ***LOADED I have the
right answer . - Okay , you have the right answer ? - I said they remove their
testicles . - Oh , the judges say , no , Bjork . - Oh , I just put mine here .
- You have testicles ? - Sometimes I do n't understand anything about science .
- I 'm sorry , Bjork , but not a match , darling . - Oh , that 's fine . - Hey
, let 's move on down to the Long Island medium . - Now , we 've never met
before , so I want everybody to know this . - Yes . - I just know exactly what
, you know , the producers and the background ***LOADED checkers told me . -
Uh , okay . - I mean , the spirits are telling me a selfie . - A selfie , wow .
- Yes , the spirits are telling me athank you . - That 's uncanny . That 's
spooky , is n't it ? - I 'm telling you , I have a gift . - Yay . - Let 's move
on to Joan Crawford . What do you say ? - Clean all the wire hangers out of the
closet ***LOADED . - Wire hangers , Joan ? - No wire hangers ever ! Why ? -
Well , that do n't make no kind of sense , but it sure is entertaining . It 's
just - This ai n't my first time . - Yes , yes , at the where ? - At the Snatch
Game . - All right . Jujubee , are you ready for your question ? - Mm-hmm . -

My play cousin Tornosia is such a party ***LOADED animal . When mosquitoes bite her , they have to go to blank . Okay , Jujubee . - The clinic . - Yes !

Good answer . - Right . - Let 's go to Mae West . - Well , I 'm very happy to say they have to go to the clinic . - Oh , we got a match . - You know , I go to the one on San Vicente and Santa Monica , you know what I mean , Jujubee ? You 've been there . I seen you there a few times . - Why do you go there , Mae West ? - ' Cause after your tenth visit , you get one free , oh . - Fabulous .

All right . Let 's move on down to Bjork . - I 'm pretty excited ' cause I also said clinic . - You said clinic ! - Yeah . How many bones do I win ? - How many bones do you want ? Oh . See you after the show , bubbles , oh . Ooh . - Did you hear that , Bjork ? - I 'm down for anything , especially I 'd like to eat her hair . It looks like pastrami . - Something else looks like pastrami , too . - - Ow . Brrr . - Let 's move on down to Nancy Grace . - This just in . - Oh . - She had to go to Casey Anthony 's defense attorney . She partied ***LOADED so hard , Ru Paul , two days after the child is missing , she is drinking at the bar . - Unfortunately , that is not a match . - But we do have DNA match , and that 's coming up next after the commercial break . Thank ***LOADED you .

- Oh , okay . Now , Raven , the next question is a video from Bianca Del Rio .

- Tammy Brown is so unusual , when she was abducted by aliens , she blanked them . - All right , stars . Write down your answers . All right , Raven . -

She shaka-buku 'd them . - Let 's go on over here to the Long Island medium .

Are you writing something down ? - No , no . - Oh . Well , yeah , ' cause you 're supposed to match - The spirits are telling shaka-buku them . - I thought ***LOADED I saw you writing . - You did n't seen anything , Ru , I 'm so sorry . - I did n't anything . - See , it 's the spirits . - All right . Ariana Grande . - I put she sang to them ? - Nice try , but no match . Sorry , Raven .

- Well , that 's what I would 've done . - Let 's hear you sing to them . - -
Oh . - The last time I went that high , one of my dogs died . - What did you do
to the body ? - Yes , what did you do with the body ? - I 'm sorry . What ? -
What did you do with the body ? - Where 's the body of your dog ? - Tatianna 's
missing the mark hardcore . There 's no jokes coming out of her mouth , and
whatever our jokes are not landing anywhere . - Thank ***LOADED you so much .
- Let 's move on down to Alaska . - She said , hi-ee . - She said , hi-ee to
them . - Ru is throwing ***LOADED watermelons down the line , and , whoo ,
swing and a miss . It 's like Little League softball , and she has no arms or
legs . It 's sad . - You still have one more chance with Mae West . - Well , Ru
, I gotta say , she probed them with her tootsie-loo . - Why dontcha come on up
and fuck me in the ass sometime ? - You do n't beat around the bush , do you ,
baby ? - I beat around the bush all the time . What are you talking about ? -
Okay , kids , our time is up . The winner ***LOADED of Snatch Game is ... -
Whoo ! Hallelu , I 'm back , Ru ! Yes ! - She-Angela ! - Hallelu . - Well , I
guess there you have it , ladies and gentlemen . Thanks ***LOADED for watching
, everybody . See you next time on Snatch Game . - See you tomorrow , friends .
- Bye . - Coming up ... - This competition is going to be even more difficult
because everybody 's a judge . - What do you guys think ***LOADED about , like
, the strategy ? Are you guys still going to go with the weakest link ? - If I
win , I 'm eliminating the strongest competitor . - - It 's a runway ***LOADED
day , it 's a runway ***LOADED day Today is elimination day , so , girl , you
better bring it to the runway ***LOADED . And it 's going to be a latex
extravaganza . - Will you shut all the way up ? - What are you doing ? - Girl ,
she is Joan Crawford . Do you sleep in a bucket of ice ? - You better get it ,
Hannibal Lector . You look great . Are you wearing that down the runway

***LOADED , mama ? - - I ca n't with you . - You did n't ever do a beauty mask , girl ? - Obviously not . - What do you guys think ***LOADED about , like , the strategy and , like , how you 're gonna vote people off ? Are you guys still going to go with the weakest link and - If I win , I 'm eliminating the strongest competitor . - Are you ? - Are you being serious ? - No. - Oh . - Now , is it whoever 's weakest in the challenge or challenge plus runway ***LOADED or challenge divided by runway ***LOADED time two ? - That 's a great question . - Whoever accumulates the most points . - All right . - Is safe . It 's an accumulative contest . - But that 's a really good question . What factor ***LOADED does the runway ***LOADED play ? - If it 's a tie , you gotta work it with the runway ***LOADED . - Yeah . - Okay , that 's fair . - This competition is going to be even more difficult because everybody 's a judge now . I would like to think ***LOADED that I would be Khaleesi , but I could go over to the Lannister side , too . Ugh . - The only point in me coming on the show is to show that I 'm a monster . - - I 'll tell you one thing ***LOADED . If I win the challenge , I 'm taking all three of those lipsticks ***LOADED . Triple elimination . - how did it feel being in front of Raven and Juju yesterday ? - Right . That 's crazy . - Half of it was , like , yay , hello ***LOADED , old friends . And then , the other half was like , oh , this is kind of nerve-wracking . It 's a little bit of deja vu because Juju and Raven are also Season girls . - Were you friends with them on Season ? - Oh , yeah . I was really close with Jujubee , and me and Raven had a splendid relationship . - You know what I think ***LOADED is cool for you is that , like , there 's potentially the opportunity for you to gain a whole new fan base because the fans are so fucking young now . - Yeah . - And a lot of them , they 've just started ***LOADED watching the show at , like , Season , , . You know what I

mean ? So , like - , , - It 's like a rebirth . You know what I mean ? - Yeah
. And that 's why I 'm kind of taking this competition so seriously is ' cause
I really want to reintroduce myself to the world . The stakes for me in this
elimination are high . I need to be here . I need to be given a chance to show
everyone I 'm total " All Star " material . - This was not intentional . - Did
n't you hear me talking about it ? - No , I did n't hear you talking about it .
I 'll show you my notebook . I drew pictures of it last night , honey . - Oh .
- Do you guys think ***LOADED it 's worth winning the lip sync and the grand
to send someone home , Katya ? - Yes , definitely . - I have to do it . - Thank
***LOADED you . Me , too . - Definitely . - Me , too . - I have to do it and -
It 's a competition . - Thank ***LOADED you . Me , too . - That 's it . - Give
me a high five . - But you know what , you guys are , like , high fiving stuff
, but everybody feels different about it . Like , for me - No , it 's not . -
But we 're here to - Hold on , hold on , hold on . Can I finish ? I 'm so sorry
. We 're gonna get this money afterwards . Let 's be real . For me , I just
could n't It 's hard ' cause I would n't want to be , like , well , sorry ,
girl . You know what I mean ? - Well , it 's not about the cash tip , though .
It 's about the end of the finish line . - Thank ***LOADED you . - And I guess
that 's why we 're all different . - We all have different feelings ***LOADED
about different things ***LOADED , and I guess that 's how that is . I do n't
know . I feel like my words are getting twisted , but never mind . - Just take
a deep breath and go , it 's gonna be a lovely runway ***LOADED , gal . - - Oh
! - Cover girl , put the bass in your walk Cover girl , put the bass in your
walk Head to toe , let your whole body talk Cover girl - Whoo ! - Girl , what ?
- Welcome to the main stage of " Ru Paul 's Drag Race All Stars . " Michelle
Visage , what 's new , pussycat ? - You , my darling , are the supreme All Star

. - Style superstar Carson Kressley , are you feeling judgy , darling ? - I 'm feeling joodgy . Is that okay ? - I love it . The incredible Todrick Hall . Are you ready for more ? - Ru , I was born ready and the rest ... - Is draw . And he 's back . Ross Matthews , how you doing ? - Oh , honey , you know I 'm back . I am a sucker for the Snatch . - This week , we challenged our queens to give us imitations of life , and tonight , in latex eleganza , they 're ready to burn rubber on the runway ***LOADED . Gentlemen , start ***LOADED your engines , and may the best woman win . First up , Phi Phi O'Hara . Oh . She 's got all her ducks in a row . - I 'd hate ***LOADED to see the bill for that .

- - This costume is totally me : fun and , like , almost pinup-y . And I wanted the jewelry to speak for itself . I feel super skinny and then the booty is , like , on point . I feel so adorable . - I wonder if you put her in a bathtub , she 'll float . - Well , if it quacks like a duck ... - Yeah . - Quack quack .

- Roxxy Andrews . Look at that body ! - Look at that hourglass shape . - It 's inner tubular . - I am fixing to sell this garment , darling . I 've got my big nineties hair on . I 'm feeling total gothic glam . I 'm feeling very Violet Chachki , but the plus-sized thick and juicy Violet Chachki . - Well , if a tire goes out on my car , I 'll know who to call . - She 's ribbed for your pleasure . - Yes , she is . - Alyssa Edwards . Ooh . - Her lips do n't lie . - No . - That dress is a roadmap for her man . - Oh , I can read her lips from here . - Yeah . Pow , right in the kisser . - I am living . I 'm colorful , I 'm vibrant , ferocious . I got my dress on with the lips ' cause you know I got plenty of secrets . I got to hold back some I keep in the vault just in case .

- I want to kiss her all over . - Or just kiss her ass . - Up next , Katya . She 's into water sports . - Oh , it 's Esther Williams ' cousin , Fister Williams . - Wow . Look at those breast strokes . - Our cycles are synchronized

. - I 'm giving you a skin tight sea foam green Esther Williams underwater fantasy . My waist is cinched , my nose is pinched , and my body is absolutely drenched in sweat . - Her look is making me wet . - Take a dip in the cool waters of Katya . Tatianna . - She 's a tramp , a scamp and a bit of a ... - Vamp . - Uh-huh . - That girl is poison . - My latex look is real dark lady , and I 'm feeling a little sexy . Also , it totally shows off the fact that I have n't eaten in a week , so I 'm feeling cute . - She 's like Johnny Gill said , you better rub her the right way . - That 's her chastity dress . - Alaska , fashion . - Yes . - Just gotta do something about that uni-brow . - She 's gotta get that plucked . - This is totally Blade Rubber . - Yes . - I 'm wearing head to toe rubber latex geometrical severe fantasy . I 'm nine parts super model and one part robot and ready for insertion . - Why are her gloves so oh , oh , I get it . - Bye-ee . Designed for your pleather . Ginger Minj . - She 's gone platinum . - I like the mermaid cut or is it uncut ? - I 'm just walking so eleg-wently down the runway ***LOADED . This gown hugs every single curve in my body . I have never felt more beautiful in my entire life . - Yeah , girl . - Yes , you better rub that lamp , honey . - Something 's gonna come out . - Detox . Yes , mama ! - Raccoon eleganza . - Now , that is a thigh gap , Beyonce . - My whole vibe for this look is , like , this Amazonian warrior goddess , and I feel really fierce . My tuck is right . I 'm brilliant . I 'm beautiful . Because why ? I 'm Detox . - Now , that 's what I call an apple bottom . - Red delicious . - Sexy , sexy drag queen - Coming up ... - Unbelievable , like breathtaking . - I loved this runway ***LOADED look . - Um , it was a little Nancy Gross . - Welcome , ladies . I want to remind you why we are all here . I invited you to " All Stars " because I believe you are the best of the best . With this invitation comes great responsibility , and I 've

fought my entire life to not only grow my career ***LOADED , but to build something that could help launch others . Every week that you 're here is another opportunity to build your brand and legacy . But there are no free passes , ladies . This is still a competition . And now , I need to hear from you . Ladies , are you in it to win it ? - Yes ! - Yes ! - Good . That 's what I wanted to hear . Now , when I call your name , please step forward . Alyssa Edwards , Ginger Minj . You are safe . Please step to the back of the stage . The rest of you represent the tops and the bottoms of the week . Now it 's time for the judges ' critiques . First up , Phi Phi O'Hara . - Tonight , on an " All Star " stage , coming out in a latex swimsuit did n't make me very happy . - Okay . - Your makeup is a little off tonight , too . Your contouring 's so severe for you . - I was there for your Gaga , so I was looking at your Snatch real close , okay ? My face was right up in there . Teresa Caputo is the perfect kind of person to pick for the Snatch Game , and you did a great job with it . So consistent all the way through . - Yay . - All right . Up next , Roxxy Andrews . - Hey . - This whole runway ***LOADED look , like , when I first saw you come out , I was like , eh . I do n't know . Like , it 's maybe a little too , like , dead on and literal when you think ***LOADED of latex . But the way you put it all together made for a better outfit than just what this dress is . - It was a bumpy Snatch Game for you . It 's like , ooh , it just did n't feel like a yay kind of thing ***LOADED . - Yeah . - The thing ***LOADED about Alaska , she 's funny , quick , snappy . There 's a lot of little surprises that you get with Alaska that I did n't get from that performance . - In the work room , you said you were gonna do Sofia Vergara , but you changed your mind . - I changed because something told me I would 've bombed Sofia , like , worse than I would 've done Alaska . - When you come into

this competition , you already know that you 're going to be doing Snatch Game , so maybe it would 've been wise to really think ***LOADED about that before yesterday . - Up next , Katya . - I love this runway ***LOADED look so much . I like when people do something that 's what you 're not expecting . And what you gave us was , like , this Esther Williams moment ***LOADED with the full cap. And you have , like , the nose thing ***LOADED , which is a genius little touch that I expect from Katya . So right on . Snatch Game . I loved the Snatch Game . When I think ***LOADED of Bjork , I think ***LOADED of , like , an Icelandic toddler on LSD , and you gave me that . - You 're just brilliant . You 're an artist and all of your answers were just so psychotic , and I just love everything that you do . - Whether people knew who Bjork was or not , we all understood exactly what you were doing , and that 's what makes a really good characterization . It was fabulous . - Thank ***LOADED you so much . - Up next , Tatianna . - Tonight on the runway ***LOADED , it 's kind of basic . It 's something you 'd see in a Fredrick 's catalog or something . - Okay . - To me , it does n't scream Tatianna in any way . Your look for Ariana Grande , spot on . So the characterization was there for me . I think ***LOADED where you lost it were the comebacks . - There were moments ***LOADED where Ru would totally set you up and you just had to , like , spike it back over the net , and that did n't happen for me . I ca n't believe I just used a sports reference . That 's never happened . - I 'm sorry . This means so much and I fucked it up . - Do n't be sorry . Be fierce because you are an " All Star . " Thank ***LOADED you , Tatianna . - Thank ***LOADED you . - Up next , Alaska . - I loved this runway ***LOADED look , and I think ***LOADED what 's so great about you is that you 're versatile . I know . Big surprise . But yes , the details . The dress , the makeup , the dye line of the hair , it 's chic and

glamorous . The only callout on the look , I would 've loved , like , a cooler shoe . - Me , too . - Right ? I know , I know . - The Snatch Game . It was brilliant from the beginning to the end . It was just an amalgamation of sheer genius . - You did something really smart . You not only entertained us , but you educated our audience out there , who may not know who Mae West is . - Mae West now , for me , is you doing Mae West . Every time I go through a drive thru now , I 'm gonna go , oh , I want a number one-uh . - Drive up and see me some time . - Super size me some time . - Up next , Detox . - Let 's talk about this look right now , which I 'm living for . It 's like the epitome of , like , latex glamour . - Unbelievable . Like , breathtaking when you walked out . It was just like an oil painting . Like a perverted oil painting . - You just look phenomenal . You killed it . - Thank ***LOADED you very much . - And I just want to know , where did you put it ? - Oh , you know where it is . - The Nancy Grace . At first , I was like , oh , my God , Nancy Grace was from Staten Island ? You 're , like , listen to me . - In the beginning , it was a little Nancy Gross , you know . It was n't really there yet , but you found your way . - It was n't the right voice , but it was kind of the right person , so I 'm gonna give you a C on that . - Thank ***LOADED you , ladies . I think ***LOADED we 've heard enough . I 've made some decisions . Katya , Alaska , you are the top two " All Stars " of the week . Congratulations . You 've each won two VIP tickets to Cirque du Soliel 's sexy adult cabaret " Zumanity , " including airfare and deluxe Las Vegas accommodations . - Wow , cool . - Phi Phi O'Hara , you lucky duck , you 're safe . That means Roxxy Andrews , Tatianna , Detox , you are in the bottom three . Katya and Alaska , each of you needs to decide which of the bottom three you 'll eliminate if you win the lip sync . So while you queens deliberate in the work room , the judges and I will

enjoy root beer floats . You may leave the stage . Coming up ... - I know that we 're looking at this Rolaskatox situation , but that was a long time ago . - She can say that all she wants to , but in the end , she 's not going to send home her best friend here . - Now win this lip sync . - Okay . - It 's an odd feeling ***LOADED being in the top , and then coming into the work room for deliberation . - Thrilled . - Because I 'm one of the people who has to make a decision about some other people in the room . - Tatianna , Roxxy and Detox are in the bottom . I do n't necessarily agree that Detox should be in the bottom . Her runway ***LOADED destroyed . " National Geographic " meets " Italian Vogue " meets " Better Homes and Gardens . " Flawless . - One of y'all is about to get \$, . - Yeah . - When you win a challenge , it 's just so , like , exciting . And now it 's sort of , like , much heavier because there 's this huge responsibility attached to it . I would like to have a moment ***LOADED with each of you on the other sofa . So whoever wants to come first . - Well , I 'm here , I guess . - Hi . - Hi , honey . I was n't expecting to see you in the bottom . - Neither was I , but at the same time , I feel good enough that I was n't the worst and I looked the best today . - Hallelu . - Do you know what I mean ? - And it 's crazy because it 's like this , like , Rolaskatox-esque moment ***LOADED . - I know . I was just about to say . Mm-hmm . - But whatever decision is made , that is not going to be favoritism . - Right , and I respect whatever decision it is that you come up with . - Well , it 's such a shame I fucking hate ***LOADED you . - Should I start ***LOADED packing now or - You probably should . - Shall I send over the next clown ? - Yeah , sure . - Are you sure you 're gonna wear that ? - I 'm gonna see if I can get changed , because this little hobble dress is not gonna be very enter-tainting . - Do you need help ? - Yes . Would you , please ? - How are

you doing ? - Um , I expected it . - You did ? - I definitely know I was one of the weaker links , so ... - Whatever decision is made , it 's not coming because of favoritism or anything like that . - Just do what you feel is right . But congratulations . - Thank ***LOADED you . - Now win this lip sync . Win it . - Okay . - Win it . I 'm hoping we 're gonna stay true to what we said , because I feel like the girl who got the harshest critiques was Tatianna . So if we 're sticking through to our plan , I should be good to go . - Hi , how are you ? - Um , not good . - I 'm sorry that you 're in the bottom . I know that we 're looking at this Rolaskatox-esque situation , but that was a long time ago , and I want you to know that whatever happens , it 's not based on friends and family discounts or , you know , favoritism or anything like that . - Yeah . She can say that all she wants to , but in the end , she 's not going to send home her best friend here . - So I just want you to know that . - I trust it 'll be a fair decision . - I think ***LOADED you 're stunning and really cool . - Sorry . Stupid . Go ahead . - Why do you feel stupid , though ? - ' Cause I just feel like I did n't do my best . In something like this , you ca n't really fuck up . Like , I need this . I really want this . - Right . You 've been here and you 've held your own . - I just wanted to show more ' cause there 's so much more . And I hope that I get the opportunity , but if I do n't , I get why . - I love you a lot . - I love you , too . - I 'm not gonna lie . There 's definitely a part of me that 's enjoying this potential power situation . - Girl , no ! - No , no , no , no , no , no . It 's just because I 'm so used to being terrified and , like , in the grip of total anxiety here . And now I feel like ... I have to say there is a part of me that is very intrigued and attracted and seduced by this new power . But I will do the fair thing ***LOADED . - I just want to tell you , you know , I want to prove how

much I 'm a different person than I am from my season . - Uh-huh . - And I feel like my time is too short still . I know I am in the bottom , and I felt like all I could do was my runway ***LOADED today and - It 's not personal . It 's just we 're all here . We 're all professional drag queens with careers ***LOADED , and we can evaluate what 's entertaining and what 's not entertaining . - It 's . I could be going home . You never know how these girls are gonna play the game , and I 'm terrified . - Next ! Tell me why you should be America 's next top model . - Oh , you ... - I know you 're feeling terrible . - Yeah . I feel like ... almost because I am from an earlier season and I was so young that I do and I 've been saying this whole time , like , I do n't have to prove anything to anyone , but I kind of do . I thought ***LOADED I was on a good roll here last week , and there 's so much more that I have that 's , like , out of the box and different for Tatianna that I want the world to see and I kind of need the world to see . This competition means so much to me . I do n't want to go home . I 'm not ready to go home . I ca n't go home right now . - I knew coming in here that , like , everybody 's gonna be so good that it 's just like you do n't know what the hell . From week to week , it 's going to be a complete roller coaster . - I do n't want to make it , like , harder on you , if you 're feeling , like , towards one way or another . Do n't think ***LOADED that , like , this is , like , trying to wane you , ' cause it 's not . - No , no , no . ' Cause I know you . - ' Cause it 's not . I would like to really not have that . - Yeah , I know you . Here , give me a hug . - Can we get a Code progress ? - Oh , silencio . Silencio . Bring back my girls-uh . - If I win this lip sync , someone 's going home because of me . I 've made up my mind , but it 's really hard having that decision on my head . - I have to make the decision about who to send home . It 's really tough , but it 's still a

competition and I have to make sure that every decision I make is the right one . - Welcome back , ladies . Two top " All Stars " stand before me . Ladies , this is your chance to impress me , win \$, , and earn the power to give one of the bottom queens the chop . The time has come to lip sync for your legacy . - I 'm excited to lip sync against Alaska . I am feeling myself . I am preparing the world to gag on my legacy , which involves a line of platform jellies in every size , color and shape . - I know that I really need to turn it out . There 's no question that I want to win the lip sync . It 's another opportunity to impress the judges . - Good luck . Do n't fuck it up . - Ah , freak out Le freak , c'est chic Freak out All that pressure got you down Has your head spinning all around Just come on down , to Find a spot out on the floor Ah , freak out - I am in the bottom with two-thirds of Rolaskatox . So if Alaska wins this lip sync , the chances are I 'm being sent home . - Whoo ! - I said , freak - I 'm terrified . You never know how these girls are gonna play the game . It 's so early in it . Are they gonna eliminate a bigger threat ? - Now , freak All that pressure got you down Just come on down to Find a spot out on the floor Ah , freak out Le freak , c'est chic Freak out Ah , freak out - Yeah ! - Ladies , I have made my decision . Alaska , you 're a winner ***LOADED , baby . Con-drag-ulations . You 've earned a cash tip of \$, . - Thank ***LOADED you . There is sort of a bittersweet feeling ***LOADED right now , because I love winning challenges , but it also means I have to send somebody home . - Katya , you 're safe . - Thank ***LOADED you . - You may join the other girls . Will the bottom three please step forward ? Alaska , with great power comes great responsibility . Which queen have you chosen to get the chop ? - Like you 've said many times , " Ru Paul 's Drag Race " is a microcosm of the real world . And in the real world , sometimes we have to make really

difficult decisions , and tonight is one of those times . I 've taken into consideration the performances in the Snatch Game and on the main stage and I 've most importantly taken the judges critiques into consideration tonight .

The queen that I have chosen ... Is Tatianna . - Tatianna . - Yep . - As it is written , so it shall be done . See me with them hands , girl . Now sashay away . - Thank ***LOADED you . - Thank ***LOADED you . - Thanks ***LOADED . The most disappointing part about being eliminated this early in the competition is definitely I do n't have the ability to show everything that I have to offer .

Not just in the way of clothing , but I have a lot more personality ***LOADED and talent that I did n't get the chance to feature . - Con-drag-ulations , " All Stars . " Keep freaking me out and you could find yourself in the " Drag Race " hall of fame . Now , remember , if you ca n't love yourself , how in the hell you gonna love somebody else ? Can I get an amen up in here ? - Amen . - Amen . - Now , let the music play . - Throw ***LOADED your hands up Time to get down Time to get down , down , down , down , down - I would say to Ru , thank ***LOADED you so much for having me again . It was great seeing you and your , uh ... - Ooh , girl . Tatianna , girl , all is not lost , so stay thirsty , girl , ' cause you still have a chance to return for your revenge . - Are you serious ? - Wait , does this mean I get to come back ? I can .
